

Dotec-Audio DeeTrimX

User's Guide

About DeeTrim

Thank you for choosing Dotec-Audio DeeTrimX.

This plug-in can automatically adjust the output level from -12 to 0 dB.

It stabilizes the volume level from uneven to the target level.

Installation on Windows OS

Those plug-ins are provided as a .dll and .vst3 and .aaxplugin folder (AAX).

To install the plug-ins, simply copy it to your system's shared VST or VST3 or AAX folder.

AAX folder : C:\Program Files\Common Files\Avid\Audio\Plug-Ins

If you're not sure where that is, please consult your music software's documentation.

If your music software is already running, you'll probably need to quit and restart if before the plugin is recognised.

Installation on MacOS

1. Those plug-ins are provided as a .vst (VST) and .component (AU) files and .aaxplugin (AAX) files.
2. To install the plug-ins, open “**install.pkg**” and follow the installer instructions.
3. If your music software is already running, you'll probably need to quit and restart before the plugin is recognised.

Panel Description

ENABLE button (lightning bolt symbol):.

Enables DeeTrimX. Off bypasses it.

OUTPUT:

Indicates output volume (dB)

LEVEL:

Adjusts the target volume (-12dB to 0dB)

SENSE:

Adjusts the sensitivity to the noise floor or breath

AMOUNT:

Adjusts the strength of the automatic adjustment.

SIDE CHAIN:

Adjusts the influence of the side-chain input.

The target volume is automatically increased when the side-chain input exceeds the target level.
This is useful for giving a rhythmic inflection when singing.

How to Register

The DOTEK-AUDIO product becomes the "**product version**" by registering the serial key and e-mail address in the "**demo version**".

This section describes how to register the serial key you purchased.

Step 1

You can register serial key by clicking registration button.

Step 2

A screenshot of a 'Registration' dialog box. The title bar says 'Registration'. Below the title, it says 'Please enter the serial key and your e-mail address for the registration.' There are three input fields: 'Serial key', 'E-mail address', and 'E-mail address(Verify)'. Each field has a red arrow pointing to it. At the bottom, there are three buttons: 'Open the shopping page', 'Cancel', and 'OK'. The 'OK' button is highlighted with a red rectangle.

This window will be displayed.

Please enter a serial key and your email address in the textbox and click OK button.

*** The registration requires an internet connection.**
