

# Dotec-Audio DeeWider

## User's Guide

### About DeeWider

Thank you for choosing Dotec-Audio DeeWider.

DeeWider is a plugin with following features:

- Only one slider will control stereo images.
- Can be gains the True side sound that extracted by unique LCR separation
- Can be changes the bass sound colors.
- Can be converts a mono source into a pseudo-stereo by DUO button.

### Installation on Windows OS

1. Those plug-ins are provided as a .dll and .vst3 and .aaxplugin folder (AAX).
2. To install the plug-ins, simply copy it to your system's shared VST or VST3 or AAX folder.  
**AAX folder** : *C:\Program Files\Common Files\Avid\Audio\Plug-Ins*
3. If you're not sure where that is, please consult your music software's documentation.
4. If your music software is already running, you'll probably need to quit and restart if before the plugin is recognised.

### Installation on MacOS

1. Those plug-ins are provided as a .vst (VST) and .component (AU) files and .aaxplugin (AAX) files.
2. To install the plug-ins, open “**install.pkg**” and follow the installer instructions.
3. If your music software is already running, you'll probably need to quit and restart before the plugin is recognised.

## Panel Description

**Enable/Disable Switch** (Lightning Switch)  
Enables/Disables DeeWider.

**DUO**  
Can be converts a mono source into a pseudo-stereo.  
It works on stereo tracks with mono sound clips.

**Color**  
Change Bass sound colors.  
The yellow/red gradation is good for acoustic(such as piano etc).

**Wide**  
When a slider is upward, the effect becomes strong.(0 to 100%)

## How to Register

The DOTEK-AUDIO product becomes the "**product version**" by registering the serial key and e-mail address in the "**demo version**".

This section describes how to register the serial key you purchased.

### Step 1

You can register serial key by clicking registration button.

### Step 2

A screenshot of a 'Registration' dialog box. The title is 'Registration'. Below the title is the instruction: 'Please enter the serial key and your e-mail address for the registration.' There are three input fields: 'Serial key', 'E-mail address', and 'E-mail address(Verify)'. Each field has a red arrow pointing to it. At the bottom, there are three buttons: 'Open the shopping page', 'Cancel', and 'OK'. The 'OK' button is highlighted with a red rectangle.

This window will be displayed.

Please enter a serial key and your email address in the textbox and click OK button.

**\* The registration requires an internet connection.**
